

April 8, 1963 Minutes
Newark-Essex CORE
208 Broadway, Newark

The meeting was called to order by Chairman Curvin.
The minutes of March 11 were accepted as read.

Mr. Curvin reviewed the requirements for active membership. Two people were voted to active status:

Gary Swangin; Howard Lammaar

It was reported that the chapter supported the Eagle-wood Movement's demonstration in Trenton by sending 2 chartered buses of demonstrators.

Mr. Curvin reported that the National Office intends to send a Task Force to a northern city, Newark is being considered. The Force would consist of about 15 people for whom it would be necessary to find private lodging, office location and specific projects on which to concentrate their efforts. Suggestions were made by the group for possible action projects:

1) employment (Ohrbach's)

2) neighborhood projects: to provide that housing conditions be improved by enforcing health & safety requirements.

3) segregated schooling: perhaps a boycott

4) tutoring service be set up

2)

4/8/63

Mr. Curvin reported that the decision in the LaShure hearing was favorable and that the Carol Management Corp. was found to have discriminated in their renting practices.

Mr. Proctor reported on the Associate Membership Campaign. The chapter has set itself a goal of 1000 memberships. Active members will be responsible for at least 10 memberships. A membership committee was set up under the chairmanship of Mr. Proctor:

Members: Pat Hicks, Gary Swangin, Bruce Marshack, Dave Reid, Gail & Ricky Lissick, Sherry Gendelman

The Dawkins case was reported to be still pending. A Civil Service hearing will be held within the next month.

Announcement was made of the symposium on April 11 at Clinton Place Junior H.S. which the chapter is co-sponsoring entitled "Human Rights: Survival in the Nuclear Age."

Stanley Winters of the Clinton Hill Neighborhood Council gave a detailed report on the history and present status of the city's blight declaration of the Clinton Hill area for the development of a light industrial project. A motion was unanimously passed to have CORE go on record in support of the Clinton Hill Neighborhood Council & in its efforts to oppose the blight declaration in the
